

Year in Review Photo Submission

Overview

We are in the design stages of our next Year in Review book, and we would love to include and represent as many Charis churches as possible. We are looking for photos from Sunday services, baptisms, communion services, special events, small group gatherings, and more to include in this year's publication. Get more info about the Year in Review and contact us to contribute photos at CharisFellowship.com/Year-in-Review.
